THANKING GOD FOR MINISTRY MIRACLES

This past year our staff was asked to share gospel victory stories happening in their area of ministry. The following is a victory shared by Pastor Nate:

“Mary” is still a guest of St. Paul’s, though she has been among us for 2+ years. Mary would tell you that she did not know what Jesus had done for her before God brought her to our ministry. Good Friday worship, two years in a row, led to the Following the Promise Bible study in 2018. Since that time, Mary is still not an attender of weekly worship, though she is a faithful attender of weekly Bible study.

Mary is the product of abuse and assault on her person. Alcoholism and unbelief are familial; though God has now spared her from both. Post-traumatic stress is real. Deep hurts over the years have caused questions to be directed God’s way. But the faith is there and growing! “Well, I know what you would say, Pastor,” is slowly being replaced by “I know what God says.” “I am not sure I get it,” is being replaced by “Sometimes I still wonder.”

Sometimes victory is not in a moment but in the long haul. What a privilege to just “be Jesus” for someone—patient, caring, sharing, repeating.

This is just one of many miracles of God’s grace that happen on our campus and school because of your generous support of St. Paul’s ministry. Through our synod mission offerings, we can even say that we are part of gospel victories in places like China, India and Malawi. Thank you!

GOD HAS RICHLY BLESSED ST. PAUL’S OVER THE PAST YEAR.

- In June, the fiscal year ended with a cash surplus that we were able to put in our Maintenance and Capital Improvement Fund. Our goal is to grow this fund so that we have resources to take on the major maintenance items that arise on our large campus.
- Offering support for the first six months of this current fiscal year is ahead of projections.
- *The Cool Million* effort received nearly \$400,000 in gifts in 2019! The two largest *Cool Million* projects have been completed: new HVAC in our school and re-roofing and repairs to the sanctuary.
- Our Mortgage Fund continues to receive generous gifts to erase our mortgage by 2027.
- Our Legacy and Gift Trust Funds received a very large bequest over the last two years that will enable our ministry to reach more people for Christ for years to come! In February, our Legacy Committee will be sharing more information about these funds.

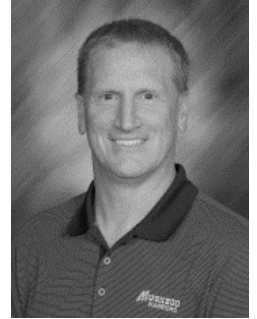

FOR ALL OF THIS, WE GIVE THANKS AND PRAISE TO GOD!

If you would like a copy of your personal 2019 offering statement, for tax purposes or to prayerfully evaluate your giving over the past year, you can find it by logging on to My St. Paul’s. You can find a login button on the top of the StPaulMuskego.org home page. Click on “Involvement” on your profile page to find your financial information. Here you will find offering statements for the past three years. You may also contact Church Accountant Becky Wetzel at bwetzel@stpaulmuskego.org or (414) 422-0320, ext. 112 to assist.

CALL EXTENDED – FIFTH GRADE TEACHER

On Thursday, January 16, the Ministry Board approved the School Ministry Action Team's recommendation to call Mr. Mark Sievert to be our next 5th grade teacher. Mr. Sievert is a 2002 graduate of Wisconsin Lutheran College and previously served at Garden Homes Lutheran School and Hope Christian School in Milwaukee. We ask God to bless Mark as he considers God's will for his career path. Mr. Sievert sent the following letter to the congregation upon receiving of the call:

January 17, 2020

To our church family at St. Paul's Lutheran:

This letter is to acknowledge I have received your Call to serve as 5th grade teacher at St. Paul's Lutheran School in Muskego, Wisconsin.

I have been blessed to be teaching in our wonderful community of Muskego for the past 12 years in our public school system, teaching 5th grade at Lake Denoon Middle School. Now comes the exciting task of deliberating our loving Father's plan for me in determining whether or not I return to serve Him in our WELS Christian centered schools.

Our family has been so blessed through St. Paul's. Our daughter, Savannah, graduated in 2018, and our son Cooper is currently a 5th grade student. And we have been fed through the faithful teaching and preaching of God's Word. I am truly humbled that St. Paul's saw in me the gifts to extend this call to work alongside an amazing faculty and serve the souls of the students in this wonderful school.

Please keep me and my family and St. Paul's ministry in your prayers to lead us where to serve Him.

In Christ,
Mark Sievert

MINISTRY ADMINISTRATOR OPENING AT THE POINT OF GRACE, MILWAUKEE

The Point of Grace campus ministry in Milwaukee is hiring a ministry administrator. This part-time position oversees and coordinates campus ministry for four Milwaukee college campuses. For further information including a detailed job description, contact Pastor Aaron Strong at astrong@gracedowntown.org.

FRIENDS IN NEED FUND MAKES A DIFFERENCE

Thank you to the many members of the St. Paul's family who give regularly to our Friends in Need Fund. This fund gives our pastors and staff the flexibility to help those in financial crisis, both within our congregation and those in our community. Recently this fund has allowed us to help with medical expenses, pay bills that are behind on payment due to job loss, and give pre-purchased grocery and gas gift cards in a time of financial difficulty. If you know someone in need, we encourage you to reach out to any of our pastors. Below are two recent examples of larger gifts provided through Friends in Need.

DONATION TO MUSKEGO SENIOR TAXI

Sally Wallner, St. Paul's community outreach coordinator, was privileged to give a \$1,000 check to Muskego Senior Taxi to help purchase a much needed new car for the Muskego Senior Taxi. We saw it as a great way to show Christian love to members of our community.

A HEART-FELT THANK YOU

Recently we received the following thank you note from a couple who struggled with drug abuse. Both were sent to jail. We have changed the names and some of the information to preserve the confidentiality of these thankful Christians who received many gifts from our Friends in Need Fund.

Dear Pastors,

David and I wanted you to know that even after all these years we haven't forgotten all the help you gave to us. From jail visits, to putting money on our jail accounts, and picking us up on release day, putting us up in a motel when we had no place to go, the gift cards and all the financial help you provided for us, and most of all showing us you believed in us.

We are both in a good place today because you showed us you cared without judgment. Today both of us live a clean and sober life. David and I are both working steadily. I am going back to school to complete a degree. We just purchased a new car, our rent and other bills are paid every month. We have reestablished relationships with family members. With the enclosed gift card we would like to continue to help others who are where we were. Please pass this on to a person or couple who needs a little help during this holiday season. We want to be able to continue to help others. Thank you. Have a blessed and Merry Christmas and a Happy New Year.

Dear members of the St. Paul's Family, thank you for making these kinds of lifechanging gifts possible!

ST. PAUL'S NEWS

JOHNSON CREEK MISSION OPPORTUNITY

Last fall, the Ministry Board shared with the members of St. Paul's a mission opportunity in Johnson Creek. The owner of the Gobbler Theater has become a member of St. Paul's and has offered use of this 400-seat concert venue free of charge on Sundays for a new mission start. Since last fall, we have also received a very generous gift of \$45,000 from a mission-minded member of our synod for this opportunity. A

core group of 14 individuals in the Johnson Creek area have begun meeting weekly for Bible study and are asking for St. Paul's assistance in getting a new mission started. Recently Western Wisconsin District President Jensen entrusted the Western Wisconsin District Mission Board with the responsibility of working with St. Paul's and the core group to develop this mission proposal. Pastor Panitzke has already met twice with members of the mission board. Please join us in prayer that the mission board can help St. Paul's and the core group as we seek to develop a ministry plan that is acceptable to the core group and to our fellow Wisconsin Evangelical Lutheran Synod members and churches in the Johnson Creek area.
