Epic Teachings of the Bible

May the Lord bless KIDS CLUB and our study of "Epic Teachings of the Bible"

Starting Strong, Staying Safe

During the Covid-19 pandemic, KIDS CLUB is going to do the following to operate appropriately, show love and respect for each other, and start strong:

- All children participating in KIDS CLUB will be required to wear masks, even those younger than age 5.
- All staff will wear masks unless they are sufficiently distanced from students during teaching.
- Parents, siblings, etc. coming into the school and KIDS CLUB areas for drop off/pick up, for example, will be required to wear a mask.
- Small-Group, lesson reinforcement activities will be done with students socially distanced as much as possible.
- The Large-Group lesson, usually done with all levels of children together, will be presented twice to divided levels, allowing for better social distancing.
- Hand sanitizer and disinfectant wipes will be available and used as needed.
- All classrooms will be cleaned prior to class each Sunday.
- Frequently touched surfaces will be disinfected after each use.

DEAR PARENTS:

If your child is feeling ill on a Sunday morning, please "play it safe" and do not allow him/her to attend KIDS CLUB. The weekly lesson and activities will still be available online for enjoying at home. THANKS!

Please Join in Our Totally Epic Comeback!

The bulletin board at left, which is in St. Paul's school hallway near the main office, will greet KIDS CLUB children and adults when they return for the 2020-2021 year. All the images of students and classes are from last year's KIDS CLUB sessions. When you look at these pictures, you can see what an awesome ministry KIDS CLUB is. It's engaging, fun, active, interesting, and faith nurturing. Best of all, it's enjoyed by some of the nicest and most gifted kids around. May Jesus bless our epic comeback!

3K Children Work Their Way Through Key Bible Lessons

Below are the Bible lessons the 3K children explore as part of the 3K KIDS CLUB class. 3K uses different lessons than 4K-Grade 6. This is done because the lessons are some of the core ones that lay a solid foundation for our youngest children. These lessons are also used because the 3K staff has been doing them for several years and has developed a fantastic array of craft and other reinforcement projects to go with them. Mrs. Vicky Gabrus has been leading the 3K team for many years and has put together some truly amazing projects for the 3K children to do with the lessons.

“Come Back” Class Organization

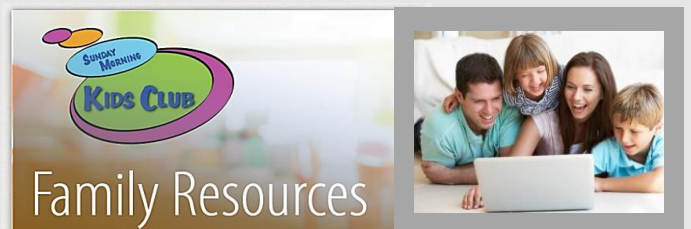

As of this writing, 48 children have pre-registered to join KIDS CLUB. Based on the numbers and ages of the students registered, classes will be organized as they have in the past (see below). Until things totally return to normal, some class sizes may be smaller than usual, but this will in no way compromise the curriculum or the experience.

INDIVIDUAL CLASSES

3K, 4K, 5K, Gr.1, Gr. 2

COMBINED CLASSES

Grades 3-4, Grades 5-6

KIDS CLUB beginning in-person sessions will not impact the online resources. Interested families will still be able to download the weekly lesson sheet, teaching and song videos, as well as additional resources to stay connected and grow their family church. Simply go to the church website home page (www.stpaulmuskego.org) and click the “Family Resources” image.

Feeding Those in Need

This year’s KIDS CLUB mission offerings will provide support to the Garden Homes Lutheran Church Food Pantry. Garden Homes Lutheran Church (GHLC), located in one of Milwaukee’s poorest neighborhoods, is St. Paul’s Mission Partner. Through its Food Pantry, GHLC provides help to roughly 50 families living near the church. In addition to the physical food, Garden Homes also offers families, “The Bread of Life” (Jesus) by distributing Bibles, conducting Bible classes, and inviting community members to attend church services and other church activities.
